

for style, use the die to pick all your clothes randomly for a mismatched weirdo outfit. I typically take the  $y^{\text{th}}$  item from the  $x^{\text{th}}$  drawer. Do jewelry & accessories too! Variety and amount!

### Comment

Yesterdays is written on a napkin but I've actually been using this for a little more than a week.

I quite like it! It keeps me on my toes, but makes my style feel fresh every day.

for each time I thought I'd be
